Description

Darwin Raymond is primarily a guitar based musician currently residing in Columbus, Ohio. He has also released an EP on Audio Gourmet (Rien/Rain) and an album on FeedbackLoop (Night).

His new release on Resting Bell is called "Beyond The Shore, The Sea" and it is a wonderful album focusing on the ocean. Nine tracks with a complete duration of about 40 minutes. Darwin has focused on the overlap and interplay of memory with the present, which he explores by recording a base guitar track and immediately overdubbing it with additional tracks in order to pursue the feelings evoked by those few moments as they are occurring.

With his work he captured a depth and beauty which you can find again imaging the ocean, a windy shore and the power of waves and tides. Please enjoy!
